UNIDOS NOW

MAY 20-21

Nazari 22'

UnidosNow has been working for the past ten years to empower the growing number of Hispanic/Latinx community members in our region through education, integration, and civic engagement to achieve the American dream.

The existing gaps seen in the Latino community regarding educational attainment rates, access to health care, and political representation inform the planning and delivery of all of our programs with the ultimate goal to embolden students and their parents to create opportunities that can bridge these gaps.

UnidosNow's intergenerational programs are impacting our community one family at a time. From our Parent Leadership Program to our Future Leaders Academies at elementary, middle, and high schools, our organization ensures that every participant has opportunities to grow and reach their highest potential. With our Future Leaders Academy, we empower our leaders of tomorrow to create circles of opportunities for generations to come through college preparation, leadership training, and community service.

UnidosNow invites you to be a part of our celebratory weekend! Two days of historic concerts featuring the fusion of the nationally acclaimed Mariachi Cobre band and the 72-piece Venice Symphony, blending the most treasured music forms of the Old and New Worlds to create a one-of-a-kind sound and experience for thousands.

All funds raised will benefit UnidosNow to further empower the growing number of Hispanic/Latinx community members in our region through education, integration, and civic engagement to achieve the American dream.
